Michigan Hillel invites all incoming freshmen and families to our Meet & Greets throughout the month of August.

These events are excellent opportunities to get to know other Michigan students before you arrive in Ann Arbor and to learn everything you need to know about Jewish life on campus.

Between now and Meet & Greet time, we encourage you to fill out our online **Student Information Form** to ensure you receive all of our event updates, High Holidays reservations, Mich-Mash E-Newsletter, and more.
