

Welcome to NCGPS

The Northern California Group Psychotherapy Society (NCGPS) is a professional organization for therapists interested in group psychotherapy. Our members are therapists from all of the mental health disciplines, including Marriage and Family Therapists, Psychiatric Nurses, Psychiatrists, Psychologists and Social Workers.

An affiliate society of the American Group Psychotherapy Association (AGPA), NCGPS provides a number of valuable services to group therapists, other mental health professionals and the community at large. NCGPS offers a number of training and networking events throughout the year.

Find a Group Therapist

This directory of NCGPS group therapists is provided as a resource both for our members and for the community-at-large. We encourage you to use it to find a therapy group for yourself, and as an aid in the appropriate referral of potential group members.
